Pre-Registration

- Completing the Application -

Pre-Registration allows a veteran to establish, **in advance**, his/her eligibility for interment at the Idaho State Veterans Cemetery. There is no cost for pre-registration and it does not obligate to be interred at the cemetery, nor does it reserve a specific plot or location within the cemetery. Pre-registration is intended to simplify and assist the Veteran's next-of-kin at the time of death.

The interment fee for eligible veterans, spouses and dependent children is equal to the current plot allowance fee paid by the Department of Veterans Affairs. Interment fees for eligible veterans are paid by the Department of Veteran Affairs. Associated funeral expenses and preparation fees are incurred by the veteran and/or family. The cemetery shall provide a designated location for committal services. Graveside committal services shall not be held in the cemetery. The cemetery shall not provide facilities for viewing of remains. The arrangements for and any expenses associated with committal services shall be the responsibility of the applicant.

Please complete the application as instructed below:

- Check the 'Pre-Registration of Veteran' box and select 'Interment Type'. Eligible spouses may also be pre-registered at the same time as the veteran, if so desired. (see below)
- Complete the 'Veteran's Information' and 'Service Record' sections of the form. Please note that the 'Service Record' information listed on this application is not in lieu of providing the Veterans Cemetery with a copy of **Form DD-214** or equivalent discharge document. A copy of either of these documents **MUST** be included when submitting this application. Failure to provide the required service record document will delay processing of the application.
- If at the time of pre-registration, it is felt that a person other than the eligible veteran or spouse should be designated as the point of contact, please complete the 'Contact Information' section.
- Complete the 'Spousal Information' section if the eligible spouse wishes to be interred in the Veterans Cemetery. A copy of the **Marriage Certificate** or equivalent documentation **MUST** be included when submitting this application. Failure to provide a copy of this document will delay processing of the application.
- In certain circumstances, dependant children may also be eligible for interment. Please contact the Veterans Cemetery Office for more information regarding dependant children.
- The person completing the application should sign and date the form. Please indicate the relationship to the veteran. It is recognized that in certain cases the Veteran may require assistance and not be the individual completing the application.
